Dear Panel of Experts In The Social Ladders of Wellness Services Within the Framework Generated By The Ryan White Care Act Funded Supportive System:

This is a notice you will only receive this announcement message once that you have been placed into a #Mpatapo Knot of Peacebuilding Binding. This structure of the process is informationally mirroring the Adinkra Symbolic System of Communication Wisdom that puts the MEANING of the #Mpatapo TO REFLECT UPON this STATUS of AS TEMPORARY OR AS PERMANENT as you see to connect and discuss the matters at hand or remain there silent. In that, you do have the right to remain there silent... What that reflects upon you is that you have an extreme need to not tell or disclose an integral part of the social network that is OBVIOUSLY taken hold of all possible common sense values. In that you are in a 5th Amendment understanding that you can sit there and remain silent to all hell breaks loose -- you really have been wrongdoing for so many years -- you can't hold this conspiracy any longer my dears.

Doctor Shigeno: The Police Came To Visit Me Today. Apparently, you called to sick them on me. It did not work my dearest doctor. They came from that meeting affair realizing the TRUST LADDER I DESCRIBED TO OUR ENTIRE #SOCIALTRUST causing #MassGunShootings. The Tool Of Creation established technology including the use and understanding way that @FUCKEDUPHUMAN.NET BINDS PARTIES TOGETHER TO RESOLVE OUR DIFFERENCES BY FORUM AND RECONCILIATION.

No matter what happens with the Medical Board of California complaint that I did indeed file against you [Your Last Chance I Said], This IMAGE on our INFORMATION SOCIETY will REMAIN ON FILE FOR THE PUBLIC TO MATCH AND SEE. That image has not yet made it to PUBLIC VIEW STATUS -- BUT IT WILL --- JUST A NOTE --- Search [Jennifer Brehme] and NOTE THE PLACEMENT OF MY LINK TO THE TOP.

I make no apologies for the LEGAL NECESSITY that applies here -- RELEASE THIS CONSPIRACY BY NEW WRITTEN COMMITMENTS OR THIS IS THE TOOL OF THIS NETWORKS APPLICATION OF INFORMATIONAL WARFARE TO KEEP YOU FROM RECYCLING THIS DISASTER OF A POLICY ENDEAVOR! ON TOP OF THAT, ACCORDING TO THE AMA JOURNAL OF ETHICS, YOU HAVE A FIDUCIARY RESPONSIBILITY TO Repair Difficult Patient/Physician Relationships. You have a DUTY

to proceed to RECONCILIATION.

-GO IN PEACE- CALL ME: 909-882-8759

CALL THE POLICE AND YOU WILL BE THE LAUGHING STOCK OF SAN BERNARDINO
-- TRY IT IF YOU MUST - I HAVE MY PUBLIC TWEET INSERT OF COMMON DECENCY
INTO THIS MIX TO @SANBERARDINOPD

I told them even if there becomes a restraining order, I would break it. Got the level of
commitment I have to TERMINATE THIS CONSPIRACY EXPOSED PERMANENTLY
ASAP!

#ConspiracyExposedTerminatesASAP

#GovernmentSponsoredHate

#SilenceGivesConsent To Proceed

To Public Reckoning.

God have Mercy On Your Souls!

Doctor Eric Tomomi Shigeno: [@BorregoHealth San Bernardino]

I do not know what it will take for you to respond a response of responsibility. This web presence is holding a binding. You are in a different paradigm here understanding perhaps to conclude that you would not want to remain public visible in this attention getting light for an extended duration. What appears to be a business card is sourced from your actual PHYSICIAN licence site. The source image is quickly found by google images search using your name. Further does not have a copyright affixed which means it is public domain useable. I choose to take advantage of that status. For anyone to perform an image search of your name, it might be noticed there are other images in the return results displayed to the public interest of these circumstances documented by this networking web presence. This places a binding on to this casting that you as the subject of this web presence would not just ignore this!! It seems strange or a skew from any kind of normalcy that such exposure creates affixed to your name. Some might make the obvious conclusion that you are a bit [or a boast] irresponsible somehow to hold this web presence status in the first place. Further dynamically applied that would be for an extended period of time would be conclusive that you can't find yourself to right a wrong that you are involved in somehow. Even if that would be to make a domain query "content removal request". This web presence is demanding your accountability response upon matters which you internally know. These matters are too important of a contentious state life and death health related matters of a community to leave in silence holding an "intractable conflict" status.
